

BOATER SAFETY UPDATE

THE NEW FREDERICK DOUGLASS MEMORIAL BRIDGE

MILESTONES: (UPDATED APRIL 17, 2020)

Main Navigation Channel width reduced to 71ft from existing 150ft from May 2020 until October 2020

NOTES:

1. Updated **waterway access**. The 138ft Small Craft Alternative Channel is closed.
2. East bank trestle construction is complete and will be removed towards the end of the project.
3. Navigation exclusion symbols will be maintained on both the upstream and down sides of trestle.
4. Buoys to be placed as shown.
5. Main Navigation Channel (formerly East Channel) will remain open. Channel demarcation and navigation signs have been added to the bridge.

WARNINGS:

Stay clear of prohibited areas near construction site. Watch for relocating barges.
