

NEW

# THE FREDERICK DOUGLASS MEMORIAL BRIDGE

## BOATER SAFETY UPDATE

NOVEMBER 21, 2018

### MILESTONES:

West Channel closed until the end of the project  
Trestle will progress around 10E and to 18W the week of November 30, 2018  
(No work being done from November 22-November 25 in observance of Thanksgiving)

### NOTES:

1. Updated **waterway access**. The 138ft Small Craft Alternative Channel is now closed.
2. West Trestle construction will start on the West bank and work towards the channel. East Trestle construction will start on the East bank and work towards the channel.
3. Navigation exclusion symbols will be placed on both the upstream and down sides of trestle.
4. Buoys to be placed as shown.
5. Main Navigation Channel (formerly East Channel) will remain open. Channel demarcation and navigation signs have been added to the bridge.
6. Center fender removal in progress.

### WARNINGS:

Stay clear of overhead work. Construction site prohibited. Watch for relocating barges.
