

NEW

THE FREDERICK DOUGLASS MEMORIAL BRIDGE

BOATER SAFETY UPDATE JULY 6, 2018

MILESTONES:

West Channel closed **effective June 30, 2018** - until the end of the project
East Trestle construction begins mid-late July

NOTES:

1. Pipe pile axial load test in the river that will produce a large boom noise around 1:00pm on **Monday, July 9, 2018**, weather permitting. The alternate day for this work is Tuesday, July 10, 2018, around 10:00am.
2. Existing navigation lights will not be modified until the West Trestle reaches the existing channels.
3. West Trestle construction will start on the West bank and work towards the channel. East Trestle construction will start on the East bank and work towards the channel.
4. Navigation exclusion symbols will be placed on both the upstream and down sides of trestle.
5. Buoys to be placed as shown.
6. East channel will remain open.

WARNINGS:

Stay clear of overhead work.
Construction site prohibited.
